

ETAPE BORNHOLM 1994

Resultatliste for Etape Bornholm 1994

FØRØRD

Etape Bornholm 1994 var på mange måder et forsøg. For det første fordi det var første gang, at nogen i Danmark prøvede kræfter med at lave et etapeløb for løbere. For det andet fordi det var på Bornholm - en ø i Østersøen langt fra det øvrige Danmark.

Set i bakspejlet synes vi selv, at det blev et godt forsøg. Vi havde kræfterne til at omsætte tanken og idéen til virkelighed. Og vi fik bundet Bornholm sammen med det øvrige af landet - ikke bare rent løbemæssigt men også rent menneskeligt.

Men som det er med alle arrangementer - og det gælder ikke kun det første forsøg - ja, så kunne det ikke have ladet sig gøre uden bistand fra en lang række mennesker.

Først og fremmest alle vore frivillige hjælpere, der var i sving i dagene fra den 18. til den 22. juli. I de fem dage var godt og vel 75 mennesker travlt beskæftiget med alt - lige fra tilmeldinger til væskeudlevering, fra børnepasning til vejvisning.

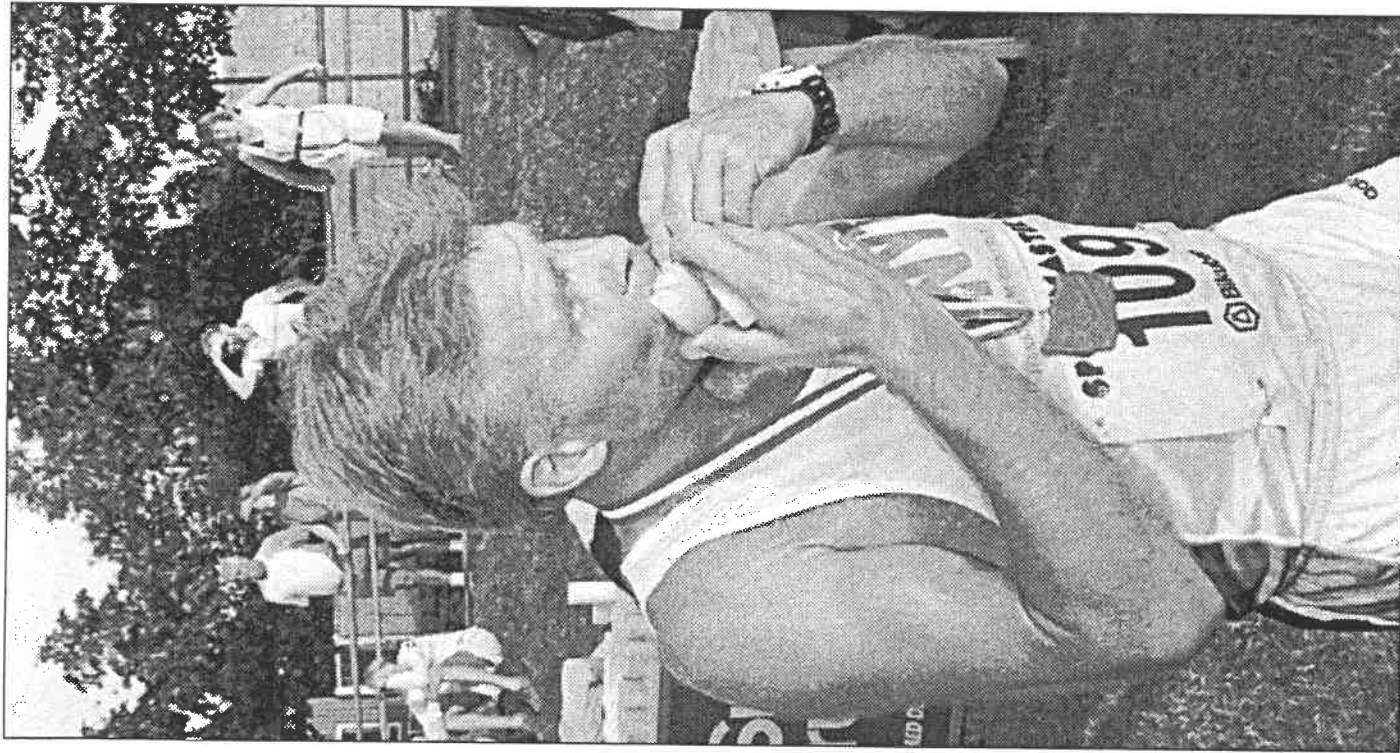

Også vore økonomiske »bagmænd« har en stor del af æren for Etape Bornholm. Uden den store og villige støtte fra det bornholmske erhvervsliv og øens kommuner og amt var Etape Bornholm ikke blevet, hvad det blev til.

Sidst - men absolut ikke mindst - Jer selv: Deltagerne. Uanset om I havde en lang eller en kort rejse til Etape Bornholm - I tog chancen og bakkede op om Etape Bornholm og løb med i etappen. I var 343, der tilmeldte Jer, og I var 317, der gennemførte alle fem etaper. Takken går til Jer alle.

Det sidste I hører fra os her og nu, er denne resultatliste. Den indeholder i tal Jeres præstationer på de enkelte etaper og Jeres præstation i det samlede klassement.

Vi håber naturligvis på, at det ikke er sidste gang, vi kan sende Jer en resultatliste. Sagt med andre ord: Vi håber på, at I kommer igen i 1995 - Vi er der i hvert fald.
